How it Works:

1. Schmartboard will give the university a special website and code where a 20% discount is given. This site will be available to anyone using a ".edu" e-mail from the college or university. This site is for Visa and MC orders. Once signed up, P.O.s can also be utilized for orders.
2. **Signing up does not in anyway commit the college or university to ever purchase anything at anytime.**
3. All instructions and resources will be forwarded to the contact above upon approval of this application

Educational Institution requirements:

1. Fill out application (A department chair must sign to approve program and name of contact)
2. Make sure that faculty; staff, and students are aware of the program.
3. Orders must have the university name and the correct ".edu" e-mail address on them even if it is for an individual student.
